### About [the Table](#)

The Table is a missional church trying to reach those who don't know Jesus through relationships and great food! Each week we gather to eat, to be equipped and encouraged. Our gatherings are marked by a meal, Communion, singing and biblical teaching. We are then sent out to live incarnationally and demonstrate the good news to those already in our relational circles and the ones that God brings across our path. So often, those we care about have kids that we love, too.

**The role...** We are looking for someone to love the kids at our gatherings and introduce them to Jesus and help them to deepen their relationship. Also, helping parents find ways to engage their kids and their community in missional service is a goal we haven't been able to achieve, yet - so we're looking for someone to help us grow in this area! So basically, the role involves discipling parents, families and students on how to live more incarnationally in their neighborhoods, schools, and lives as well as at their own tables. We are open to those wanting to do an **internship** (3 - 18 months), those able to commit **short term** (1-3 years) or **long term** (3 years+).

We are looking for someone with the following characteristics:

- A strong commitment to the mission and values of Communitas and is a committed follower of Jesus Christ
- Average to excellent computer skills including use of social media and cloud based software for communications and file sharing. Applicants must provide their own working device ( tablet, laptop or desk computer)
- Experience working with kids and their parents
- Creative lesson planning and delivery
- English Language Fluency

We'd prefer the following, but are open to things being a little different...

- Highly-relational people-person
- Deep character
- Learning Posture

**\*\* How is this role funded?** The salary and ministry expenses of this position are funded through personal support raising. Self-employed or bi-vocational teammates are also welcome. Full-time or bi-vocational applicants will be asked to go through the Communitas Missionary Candidate Process including fundraising if needed and orientation prior to starting the position. A funding plan for this position will be provided during the deputation process.
