IMPACT

— REPORT —

2025

**Communitas International exists to start and shape communities of faith that love like Jesus in their neighborhoods.**

In a time when our world is shaken by wars, displacement, deepening political divisions and economic struggles, we are reminded that the hope of Christ remains unshakable. In every hardship, there is an opportunity for the Church to be His hands and feet.

This year, God has continued to open doors for ministry in remarkable ways. Across Europe, North America, and Latin America, **new churches and faith communities are taking root**—places where weary hearts find rest, the broken find healing, and the lost are embraced with love.

In war-torn regions, Communitas teams are welcoming refugees and offering safety, prayer, and restoration. In the post-Christian cities of Europe, fresh expressions of church are meeting people where they are, helping them find new life in Christ. In Latin America, a wave of new leaders is rising up—planting churches that are vibrant, missional, and multiplying fast!

At the heart of it all is our commitment to **developing local leaders**—those called to start and shape contextualized, life-giving expressions of the Church. We are investing deeply in leadership development and equipping more local individuals than ever to launch Christ-centered communities that transform lives from the inside out.

**You are part of this movement!** Your prayers, your partnership, and your generosity are essential. Together, we are seeing lives changed, hope restored, and communities transformed.

Thank you for standing with us as we seek to embody Jesus' love in **neighborhoods around the world**. Together, we trust that God will continue to do immeasurably more than we can ask or imagine.

The best is yet to come!

# Communitas Stories

## From Listening to Lasting Impact: How Loving Like Jesus Is Transforming Latin America

At *Communitas International*, we believe real transformation begins when people live out the love of Jesus in the everyday rhythms of their neighborhoods. Through our leadership resource, **The Dynamic Adventure**,

we equip and empower leaders to do just that by starting with intentional listening and ending with sustainable faith communities that reflect Christ.

In **Presidente Franco, Paraguay**, Emerson and Layanne began their journey by **embedding** themselves into the community, building relationships, noticing the needs around them and recognizing where God was already at work. Out of that quiet faithfulness, **Colorear** was born: a weekly outreach serving over 100 children, combining life skills with the deep truth of God's love.

When seeds slowly grow as we respond with purposeful actions to express God's love, we call this **initiating**. It's simple, Spirit-led acts of service that grow into lasting ministry. Whether through children's programs, feeding initiatives, or neighborhood renewal, our leaders are responding to God's call with courageous faith.

In **Peru, Uruguay**, and beyond, new leaders are following this same rhythm. Frederico, hailing from Argentina, now spearheads a transformative initiative in Tarapoto, Peru. Emanuel and Kesia are witnessing the powerful connections forming as a result of embedding themselves in their new Uruguayan community. They are amazed by the connections that the Spirit has brought as a result of listening well to God's movements in the neighborhood. Initiating is just around the corner.

This is more than isolated stories. It's a **movement**. This past year, over **60 leaders** from **Ecuador, Paraguay, Peru, and Uruguay** gathered for online training. Some journeyed long distances or hiked to mountain peaks just to find cell service and join the call. Their commitment is inspiring, and their impact is exponential.

**The partnership of people like you** is catalyzing gospel-centered transformation in some of the most spiritually ripe places in the world. Together, we are raising up leaders who love like Jesus, reshaping neighborhoods with grace.

## A Story of Courage and Hope Across Borders

Extraordinary stories of faith continue to emerge from **unexpected places**, especially among refugee communities in **Europe**. God is not only drawing people into His Kingdom,

but also multiplying disciples who carry the peace and justice of Christ into every corner of the world. In one of our Communitas churches in **Scotland**, we're watching the unfolding of God's unstoppable love.

Babak and Ahmad (all names have been changed for safety and security reasons), two believers who fled persecution in their home countries, encountered Jesus and could not keep the good news to themselves. Having experienced the **life-changing hope of Jesus**, they were compelled to share it with those they love, **no matter the risk**. Using a secure, encrypted phone app, they began telling family and friends back home, quietly but powerfully planting seeds of faith.

Babak's brother Behzad came to faith through these messages. Eager to grow spiritually, he joined a secret house church in his country. But when that church was raided by mosque police, Behzad was **forced to flee**. By God's grace, he made it safely to the UK and was reunited with Babak in **Glasgow**, where they now attend church together and serve side by side.

Ahmad's story runs parallel. He led his childhood friend Farid to Christ via the same app. Farid also joined an underground church and faced a similar raid. He, too, fled and eventually made it to **Scotland**. Today, Ahmad and Farid are **joyfully worshipping together** once again.

These are not just stories of persecution! They are testimonies of bold faith, deep love, and the miraculous ways God connects lives across borders. Through technology, courage, and God's providence, lives are being transformed and reunited, even under threat of persecution.

**People like you make stories like these possible.**

Through your prayers and support, Communitas is starting and shaping communities of faith that love like Jesus, communities that reach, restore, and multiply.

Your encouragement is helping courageous leaders live out the gospel in tangible, sacrificial ways around the world. **Let's move forward with boldness**, knowing God is with us and working through us, wherever we are.
